

The Benefit of Change.

We are like house plants—we need a change of soil now and then, to be transplanted. New scenes, new experiences, new surroundings, a change of climate, dry air instead of moisture, sunshine in place of clouds.

This is sometimes essential to health. There are conditions near at hand that are better than Europe can offer. Take a month or two in California. Plant yourself for a time where there are no irritations, where the hotel is beyond criticism, the landscape pleasing, and where warm sunny weather invites to walks and drives. Pure dry air, and the increased electric influences of sunshines are vastly helpful.

You can take this trip at very little expense, and enjoy a ride over the scenic Siskiyou and Shasta mountains, which, at this time of the year with their snow covered peaks, are unsurpassed for their grandeur.

DR. GUNN'S BLOOD AND NERVE TONIC.

There is not a woman in this land but at some time in her life would have been the better for the use of this tonic. For diseases peculiar to women, a better medicine was never made. It is composed of the ingredients from which the system has been deprived by disease, over-work or dissipation. It enters at once into the circulation, building up the tissues that have been wasted, and making pure, rich and strong in the most direct way. For weak, nervous and unsteady people, pimply, pale or fleshless people, it will make strong steady nerves and give the complexion that wholesome look that indicates health. We have hundreds of letters that people have written us, saying that they had gained in good solid flesh at the rate of one to three pounds per week while using Dr. Gunns Blood and Nerve Tonic. It should be taken after meals, one or two tablets each time. Druggists sell it 75c per box or three boxes for \$2.00, or sent postpaid on receipt of price. We are glad to make reply to letters of inquiry, the advice we give you is plain and easily understood. Address Dr. Rosenthal Co., Philadelphia, Pa. For sale by W. F. Kremer.

A PHYSICIAN WRITES.

I have never known it to fail in restoring the organs affected, to their healthful activity." 50¢ bottle at Slover Drug Co.

CHILDREN'S COUGHS AND COOLERS.

Mrs. Joe McGrath, 327 E St., Hutchinson, Kan., writes: "I have given Ballard's Horsehold Syrup to my children for coughs and colds for the past ten years, and find that the best medicine ever used. Unlike many cough syrups it contains no opium, but will stop the hiccups and any disease of the throat or lungs quicker than any other remedy." 25¢, 50¢, and \$1.00 at Slover Drug Co.

IT SAVED HIS LEG.

P. A. Danforth of La Grange, Ga., suffered for six months with a frightful pain in his leg, but writes that Ballard's Aronica Salve wholly cured it in five days. For ulcers, wounds, piles, it is the best salve in the world. Cure guaranteed. Only 25¢. Sold by W. F. Kremer, druggist.

DYSPEPSIA.

People that have dyspepsia have weak stomachs, weak hearts, weak eyes and are usually weak-kneed. They feel bilious and the world in general has a bilious look to them, they have various symptoms that it is difficult to locate the place where they feel the worst. The fact that the source from where they get their strength has been cut off and they are sick all over. The food taken into the stomach remains undigested, causing belching, biliary attacks, followed by sick-headache, and general weakness. The medicine that puts the stomach in condition so that the food can be readily digested, will cure dyspepsia and many other diseases. It only takes one for a dose. We will send two of these pills to prove what we say. W. F. Kremer sells them for 25¢ a box or gallon of mail on receipt of price. Write Dr. Bosman Co. Phila., Pa.
